# A LITTLE SVE HISTORY

The Slattery family purchased this land in the late '90s. Barb and Mike had always loved wine. When they found out about the Nebraska Winery and Grape Grower's Association, they decided to test out the waters and start a vineyard. The first vines were planted in 2001. The house came along in 2006 and the Tasting Room opened in January of 2008. Every year, SVE has grown and expanded thanks to our loyal customer base. The first wood fired pizzas debuted in 2009 with the addition of our outdoor kitchen. 2010 was when the first two bungalows were built. (SVE is the ORIGINAL Nebraska Glamour Camping destination!)

Over the years, a lot of happy couples have tied the knot at SVE. So many, in fact, that Heritage Hall was added in 2013 to accommodate our many special events. We strive to continue to be the best, most unique destination in the area.
